WANTED

FIFTY MASON COUNTY FARMER BOYS, BETWEEN THE AGES OF 10 AND 18 YEARS TO JOIN OUR

MASON COUNTY HEIFER CLUB

Believing that the future progress and prosperity of Mason County depends upon the co-ordinating development of its Agricultural interests and the business efficiency of our future Farmers, with the hope of being able to aid in those directions, we have decided to organize a Heifer Club for the Farmer Boys of Mason County.

ABOUT THE FIRST OF SEPTEMBER, 1917, we are going to purchase Fifty Grade Shorthorn Heifers, about eight months old and weighing about 600 pounds, which we will distribute among the first fifty Mason County Farmer Boys, between the ages of 10 and 18 years, that apply for and agree to care for same and that can execute a bankable note covering the cost of the Heifer; which note shall be payable in the fall of 1918.

The Heifers will be bought by expert cattlemen connected with the Extension Service of the State College of Agriculture and be distributed among the boys by lot. Each boy will be given the same chance to make good, and required to become a member of the Mason County Boys' Agricultural Club and to care for the Heifer under the directions of the County Agent; to have the Heifer bred to a pure-bred Shorthorn Bull, this fall, and to have her and her offspring ready for public exhibition and sale in the fall of 1918.

You will not be expected to put up a cent of money now; but, you must properly care for the Heifer and pay for it later and all the increase and profit will be yours.

About \$100 will be given away in prizes to the boys getting the best results, with their Heifers, at the exhibition to be held in the fall of 1918.

For full particulars call at Bank or see Mr. E. F. Boyd, Jr., County Agent, at once, as we want to close entries to the club by September 1st.

We are anxious to help Boys that are willing to work and learn.

GRAND LODGE REPRESENTATIVES

John C. Rains and John D. Wood were elected at the meeting last Wednesday evening to represent Ringgold Lodge No. 27 I. O. O. F. at the Grand Lodge to be held at Middlesboro during the week beginning October 9.

Miss Ailie Wells, after spending the summer with her parents, Mr. and Mrs. Robert Wells, of East Second Street, left yesterday afternoon for Portland, Oregon, to resume her work, she being a teacher in a large school. She was accompanied as far as Cincinnati by her father.

On motion of Rev. F. W. Harrop the plotters of W. H. Childers and Mrs. H. C. Northeast, deceased during the year, will be given a place in the Conference minutes.

The Fourteenth question was resumed, Rev. W. W. Shepherd, District Superintendent of the Louisville District was called, his character passed and he read his report. A very interesting report was given, showing that the work of the church down in the panhandle country is on the move. A distance of 137,000 miles was traveled by Rev. Shepherd during the year and 331 sermons preached. All will agree that this is enough to keep any healthy man busy. This is Brother Shepherd's first year as a District Superintendent.

Rev. William Jones gave his report as Sunday School Missionary for the Conference. The work of the Sunday Schools has developed greatly through the efforts of Brother Jones.

The report of Rev. J. T. Martin, missionary evangelist for Southeastern Kentucky, was next given. The work of Rev. Martin as planned at the last annual Conference was sort of an experiment. Five hundred dollars missionary money was set aside for the work. This has proven an excellent investment according to the report of Rev. Martin. Sixteen new congregations have been organized in that section of Kentucky and four eleutels will likely be formed and pastors appointed to take care of them at this Conference. Relative to this work Rev. Harrop took the floor and made one of the strongest speeches of the Conference in the interest of the work. During this talk he referred to the fact that with all the organization of the church there had been an increase of only 438 members since 1890. He said there must be something wrong with us preachers and suggested that it would not be out of place for them to do a little repenting for neglect of duties. Another matter of interest in the speaker's remarks was that in this period of time there had been 150 preachers transferred out of the Conference and none received in return. And nearly all have made good. He suggested that the missionary society could well spend twenty-thousand dollars a year in Kentucky to train young preachers for the rest of the church. There is no shortage of preachers in the Kentucky Conference. Twelve or fifteen young men are up for admission this year. Further comparisons for the church between the years 1890 and 1917; 242 church buildings then, 293 now; \$11,917 dollars pastoral support then, \$20,735 now; an increase of \$3,460 in benevolence. An average increase of \$50 in salaries for the last year. The speaker then referred to the need of work in the mining camp of the mountain section. Camps are being opened up continuously with most of the miners out of the church. He said a large corporation had just recently purchased 14,000 acres of land near Harlan and on it would be built a model town and a town would not be a model town without a Methodist preacher. A great force for good in this section according to the speaker is Union College. This institution is doing a remarkable work for the young men and women of this section.

Rev. E. L. Shepherd and William Jones also spoke of the need of developing the work of the church in this section. An auditing committee consisting of E. P. Hall, D. D. Cooper and Charles Mitchell was appointed to audit the pastors reports.

Rev. H. H. Meyer addressed the Conference again on another phase of the Sunday school work.

Rev. W. A. Robinson, D. D., representing Christ Hospital of Cincinnati was introduced and addressed the Conference in the interest of that institution.

Bishop Anderson reported the receipt of a check for \$400 from Secretary Hingley of the Board of Conference Claimants to be used in pensioning the old preachers.

Drs. J. D. Walsh, J. N. Eason and Rev. A. F. Feits were appointed a committee to bring in nominations for the Conference Board of Education. According to announcement Rev. J. D. Walsh preached his semi-centennial sermon. His subject was "Kingdoms and Peace" taking as his text the second Psalm. The sermon was a truly great production, just such a sermon as we all knew Dr. Walsh could preach after such a long experience in the ministry. Dr. Walsh informed us that he was pastor of the Third Street Church, this city just forty-eight years ago. At that time he was but a youngster in the ministry, years ago. At that time he was but a youngster in the ministry.

ministry he has filled many important stations in the work of the church.

A complimentary resolution relative to the coming of Bishop Anderson to preside over the conference at this time, delaying his visit to the work of the church in France and northern Africa until he had held the Conferences in his Aroa.

Mr. and Mrs. L. H. Wilson of Newport, and Miss Frances Scott of India were introduced to the Conference.

The time for the noon lunch had now arrived and all repaired to the dining room where an elegant dinner was served. Following the dinner the Rev. G. W. Burton, D. D., of Dayton, Ohio, formerly a popular pastor of several Kentucky churches including the Third Street Church, was called upon for a speech. And maybe he didn't speak! The way he poured the jokes into his former colleagues of the Conference was a sight. He got off several take-offs on the preachers that brought down the conference with laughter and applause. Burton is one of the most popular preachers that have ever served a Kentucky church. And now that he has risen in the world to be the pastor of one of Dayton's largest churches the Conference rejoices that he is a production of Old Kentucky. He is now in the thick of a big church-building enterprise, a church to cost \$250,000. He paid the Third Street Church the fine compliment that it was the only church in Kentucky that could entertain the Conference in such royal style on such short notice.

During the afternoon the Women's Foreign Missionary Society had charge. Mrs. L. H. Wilson presided and Miss Frances Scott gave the address.

At 4 o'clock Dr. Meyer again spoke. He was followed by Don Nicholas who is speaking on evangelism. Dr. Franklin of Union College also spoke along this line.

At the evening session Bishop Anderson gave his great lecture on "Why We Are At War" before the largest crowd yet in attendance. The address was a wonderful presentation of facts concerning the great war. Those who heard were well repaid for coming.

Preachers registering during the day were:

W. A. Robinson, Cincinnati.

Rev. G. W. Burton, D. D., Dayton, Ohio.

A. P. Smith, West Union, Ohio.

Don Nicholas, Cincinnati.

J. M. Evans, Norwood, Ohio.

J. B. Kenyon, Barbourville.

E. L. Sanford, Lexington.

W. S. Peters, Williamsburg.

Mr. E. H. Rue of New York is visiting the conference in the interest of the World Outlook, one of the finest publications of the church.

Rev. J. T. Robinson of Layton, and John Tippett, Charles Steward and W. C. Harrington of Paocville, are in attendance at the Conference.

Miss Virginia Mae Hurd returned from her Michigan vacation yesterday to be present at the sessions of the Conference.

The following ministers wives are in attendance: Mrs. J. M. Liter and Mrs. Feits of Covington; Mrs. J. H. Flores of Wallingford and Mrs. T. M. Anderson of Barbourville.

Mr. J. Robert Hinton of Epworth, Mr. Rupert Huntsman and daughter, Rhea, and son, Murrell of Scottsville arrived yesterday on a visit to the Conference and the pastor, Rev. S. K. Hunt and family.

The Conference was most fortunate in securing for tonight's service Dr. E. C. Wareling, of Cincinnati, editor of the Western Christian Advocate, who will give an address. Dr. Wareling made an address at the Third Street M. E. Church several years ago at an anniversary service of the Epworth League and those who heard him at that time will want to hear him again this evening. He is one of the really big men of Methodism and deserves to have a crowded house to hear him.

WANTS INFORMATION AS TO SEED STOCKS

The fact that in some sections there is a shortage of good seed while in others there is a surplus makes it possible for the Committee on Seed Stocks of the United States Department of Agriculture to help in the distribution of these surpluses. The Committee wishes, therefore, to locate all available stocks of good seed of agricultural crops, especially wheat, oats, rye, crimson clover (in the hull of hull-ed), and hairy vetch. The Committee will be glad if anyone, farmer or dealer, will send information in regard to the quantities and prices of seed of the above sorts which he can offer for sale f. o. b. his shipping point, bugs extra or included in the case may be. The information should give in each case the name of the variety (especially in the case of grain crops), condition of the seed as to purity, year grown, and the price. The Committee will then undertake to get such information into the hands of those who want the seed. The Committee hopes that this request will receive wide circulation and an immediate response, as it is now time to get seed in the hands of planters for fall use. Address Committee on Seed Stock, U. S. Department of Agriculture, Washington, D. C.

"Resistance to draft" stories have no doubt been exaggerated by sensation hunters, but Provost Marshal General Crowder has done well to announce that drafted men who fail to report, thus failing to take advantage of possible opportunity for exemption or discharge, will in due course automatically become soldiers, failure to show up then constituting desertion and calling for court martial. This important statement of fact is followed by the impressive reminder that "desertion in war time is a capital offense." The drafted man who is neglecting to report can hardly realize the risks he undertakes.

BATTLE WITH A MOB OF 5,000

New York, August 29—Disturbance at street corner meetings reached a climax tonight at the gathering of the Friends of Irish Freedom at thirty-fifth street and Broadway. The police waged a bitter battle with a mob of 5,000 persons, and six persons and six persons were arrested. A were arrested. A veritable riot occurred outside of the men's Night Court when the men prisoners were taken there for arraignment.

It was necessary to summon police reserves to the court building to clear the streets. The iron gates to the building were closed and locked and police had a difficult time preventing the mob from rushing them.

Many persons were trampled on at the meeting itself and also in the disturbance outside the courthouse.

DIZZY SPELLS

Relieved After Taking Two Bottles
Of Cardui, Says Tennessee
Lady.

Whitwell, Tenn.—Mrs. G. P. Cartwright, of this place, writes: "About four years ago the dizzy spells got so bad that when I would start to walk I would just pretty near fall. I wasn't past doing my work, but was very much run-down.

I told my husband I thought Cardui would help me, as a lady who lived next door to me had taken a great deal, and told me to try it. This was when we were living in Kentucky.

My husband got me a bottle and I took it according to directions. It helped me so much that he went back and got me another bottle. I got a whole lot better and just quit taking it. I got over the dizzy spells... I took no other medicine at that time nor since for this trouble. No, I've never regretted taking Cardui.

I felt just fine when I finished the second bottle."

Purely vegetable, mild and gentle in its action, Cardui, the woman's tonic, may be the very medicine you need. If you suffer from symptoms of female trouble, give Cardui a trial. All druggists. NC-129
